

## Bishop Turner Visits Cattaraugus County

### Confirms class of eighty at St. Patricks Church Friday, consecrated beautiful church at Olean Sunday

One of the most important events in the history of St. Patrick's Church was the confirmation on last Friday of a class of eighty by the Right Reverend William Turner, D. D., bishop of the diocese of Buffalo. The capacity of the church was taxed by the parishioners who began arriving some time in advance of 3 o'clock, the hour set for the confirmation services.

Right Reverend William Turner, D. D., accompanied by Father Britt, Chancellor of the diocese of Buffalo, arrived in Salamanca at 2 o'clock and went directly to the rectory where luncheon was served.

The ceremonies at the church which began at 3 o'clock were conducted by the Bishop with Father O'Brien as Deacon, Father Gill as Sub-Deacon and Father Britt as Master of Ceremonies. Bishop Turner delivered to the confirmation class a most eloquent and impressive sermon. The services of the day were brought to a close with the act of the consecration of the Sacrament of the Sacred Heart and benediction.

Following the services in the church a reception was held at the rectory where the bishop was greeted by a large number of the parishioners of St. Patrick's church.

Bishop Turner and Father Britt left immediately after dinner for Olean where on Sunday Bishop Turner consecrated St. Mary of the Angels church.

Among the visiting priests at Salamanca on this important occasion were Reverend Richard O'Brien of Wellsville, Rev. M. Gill of Randolph, Rev. Harrington of Jamestown, Father Kenney and Father Cooney of Bradford, Father Kelly of Ellipticville and Father Cichy of Holy Cross Church of this city.

#### Ceremonies at Olean

The solemn consecration of the St. Mary of the Angels Church, the Right Reverend Bishop Turner of Buffalo officiating, began Saturday evening with the placing of the relics of St. Peter the Apostle and St. Clement, Pope and Matyr in the reliquary. Prayers and Laudes of the Office of Matyrs were chanted and vigil kept throughout the night.

At six o'clock Sunday morning the ceremonies of the consecration of the building began. This ceremony, with a few unimportant modifications dates back to the sixteenth century.

The consecration was followed by a Solemn High Mass, Father Rengel, pastor of St. Mary of the Angels Church, being the celebrant, in the presence of the consecrating Bishop, His Grace the Arch-bishop of New York and His Lordship Bishop Shanahan. Among the visiting priests who assisted in the day's ceremonies were Father Daly, Father Dugan, C. M., Rev. Dr. McMahon, LL. D., Father George, O. F. M., Father Grampf, Father Lee, Father George, Rt. Rev. Msgr. Baker, V. G., Rev. Dr. Nash, Father Anselm, O. F. M., Rt. Rev. Msgr. Lynch, Very Rev. Dean O'Brien, Father Brady, Rev. Dr. Kenna, Rev. M. J. Riordan, Rev. Fr. George F. Skeyy, O. F. M., Rev. Father Dinen.

During the services the parishioners represented by Judge George Larkin presented to Father Rengel a purse of twenty-six hundred dollars.

In making the presentation Judge Larkin said that the people of the parish felt that Father Rengel was worthy of a real rest after his hard earned efforts and they hoped he would use the purse for his long desired trip to the Holyland. If conditions were not suitable at the present time for the trip, to use the money, solely for his own enjoyment.

Father Rengel thanked the people of the parish for the purse and said that the trip to the Holyland would make him very happy, but he would be happier if the contributors would allow him to give half to charity and the rest for his enjoyment.

Following the services a banquet was served to the distinguished guests at St. Bonaventure's College. There were present besides the members and the hierarchy and clergy mentioned above, about eighty distinguished clergymen and laymen, friends of Father Rengel, who have been associated with him in his career. Father Alexander Hickey, president of the college delivered a

## Change of Command of Troop A, of State Con- stabulary at Batavia

Official announcement was made Saturday that Captain Willis Linn of troop A of the state constabulary at Batavia has been transferred to the captaincy of troop G at Albany, effective on July 1st. The change follows sensational charges placed before Governor Smith by District Attorney James L. Kelley. Major Chandler of the state police ordered the transfer.

Commissioned officers of all the state troops met at Onedia in conference on Wednesday, it is stated, and the Batavia-Albany transfer is the result. The occasion was the dedication of the new barracks of troop D in that place. Lieutenant George F. Chrissman will remain in Batavia as first lieutenant. It is said that he was mentioned in the charges made by District Attorney Kelly simply as a matter of form, since he was the only other commissioned officer in the Batavia troop besides Captain Linn.

Announcement is also made today that Captain Winn W. Robinson, who has been in command of troop G at Albany, has been transferred to Batavia and assumed command on Tuesday. Captain Robinson was formerly secretary to Police Commissioner Woods of New York city before entering the state constabulary and comes to Batavia with a high record of efficiency.

The change of the command of troop A is expected to result in the dropping of the charges and investigation against Captain Linn, which District Attorney Kelly started on June 12th and which had to do chiefly with allegations of conduct unbecoming an officer, irregularities as to administration of duties, etc.

## Fine New Building for South Side

Ernest S. Brown, local agent for the Buick, and several other makes of cars is contemplating building in a lot now occupied by his Main street garage and the vacant lot adjacent to the Walrath-Stevens building, a two story brick, strictly fire proof building. Contractors are now figuring with Mr. Brown and it is expected the contract will be let soon. The building will be 50 by 140 feet and with the exception of offices in the front, on the second floor will be devoted entirely to the auto business of Mr. Brown. There will be show rooms, service station, storage, incline stairway making it possible to store cars on the second floor.

The building on the corner of Main and Sycamore streets just south of the city hall and for years used by Richard Flaherty as a Black Smith shop will be moved to the rear.

Citizens of Salamanca in general, south-siders in particular will welcome this addition to Main street's business block.

## Farmers' Field Day Well Attended

The Farmers' Field Day of the Cattaraugus Farm Bureau, Dairy-men's League and the Grange held at the Little Valley Fair grounds on Tuesday was attended by 7,550 people.

The grounds were filled with cars and every available spot was filled with picnickers.

The ox which was cooked by Frank Leet of Jamestown weighed 1,800 pounds. Everyone had their share of the ox and said it was the best ever eaten.

Dr. Jonathan C. Day of the department of Food and Markets of New York City gave a very pleasing address, "Do Away with the Middleman." dress on Co-operation, his theme being Milo D. Campbell who is president of the National Milk Producers association spoke on Organization. He Eric band, with the well known saxophone quartette, furnished music.

All those who attended returned to their homes feeling that they had attended a real Farmers' Field Day.

## Boy Scouts to Have Outing

Troop 8, of Seneca Council Boy Scouts of America of which Mr. Herbert Sutcliff is the Scout Master will leave Saturday, returning Monday for an outing.

The boys will pitch their tents on the Irving Parker farm where the swimming is good and the fish are plentiful.

Besides tent and bedding the boys will take their own complete cooking outfits.

## Drive For Self Determination of Ireland Begins Monday

During the coming week the people of Salamanca will be asked to contribute to the \$2,000,000 fund to deliver to the people of Ireland from the tyranny of foreign oppression. Mr. John E. McCabe has been appointed chairman of this fund and his committees will be announced later.

The Irish people think their case is so strong that the only immediate request they ask is that they be allowed to present their case to the Peace Conference, but this has been refused.

Very many of our own State Legislatures as well as the United States Senate by a vote of sixty to one, out of a spirit of fair play and gratitude for what the Irish did for America during the days of the Rebellion formally requested the British Government to allow Ireland to present her case. The answer to this request was the imprisonment of many more Irishmen and the deportation of others.

The Commission of American citizens who have recently visited Ireland have reported to the Peace Conference and the United States Senate that conditions in Ireland today are worse than they were in Belgium when the Hun had his iron heel upon her neck.

It is to change this condition that American citizens of Irish blood appeal to their countrymen. We have helped the down-trodden people of northern Europe—now a people who more than any other race or nation have been instrumental in wresting the American Colonies from lion's grip appeals not only for funds, but what is a good deal more important, American public opinion and American sentiment in favor of Irish independence.

This is a general drive and embraces all nationalities, not being confined to any one church and the co-operation of every one is earnestly solicited.

## Clam-Bake at King Tandy's

Last Friday evening a clam-bake of 41 from Salamanca held a clam-bake at King Tandy's. The bake was prepared under the direction of Mr. A. W. Fortune and was served by the men of the party to the ladies who were the guests of the evening.

The bake was especially well prepared and well served and received the undivided attention of the party for about an hour and a half.

Clam bouillion and satines were first on the menu followed by steamed clams to which the crowd seemed very partial. Then came roast chicken, potatoes with the jackets on, peas, rolls, olives, pickles, orangeade and coffee.

After an hour spent in athletic events the party adjourned to the home of Mrs. King Tandy Jimmerson where an orchestra led by William Sky Scott and engaged by B. L. Hunt for the occasion enjoyed an old fashioned dance which lasted for several hours.

Following the dance the party returned to the scene of the bake where another lunch was served, the party then breaking up, leaving for home by automobile.

Those present at the bake were: Mrs. and Mrs. P. W. King and niece, Miss Teague, Mr. and Mrs. Asa Rowland and son Harry, Mr. and Mrs. F. A. Rhodes and son Donald, Mr. and Mrs. M. M. Dye and sons Kenneth and Glenn, Mr. and Mrs. B. L. Hunt, Dorothy and Thomas, Mr. and Mrs. M. W. Hill and Minerva Hill, Miss Sue G. Peaslee, Miss Lucy Pfaff, Miss Effie Larson, Mr. and Mrs. A. W. Fortune and son Billy, Mr. David Carpenter, Mrs. Helen Hunt, Mrs. Ida C. Leach, Mr. and Mrs. Stewart Carpenter, Mr. and Mrs. E. S. Brown and daughter, Marion, Mr. and Mrs. M. L. Ansell and Florence Ansell, Mrs. and Mrs. John B. Leach and son Enfield.

## Salamanca Chapter, A. R. C. Receives Credit

It is with a certain amount of pride as well as pleasure that Salamanca Chapter of the American Red Cross and its branches receives the word of its credit at the Division Headquarters of over \$4,690.72. This amount represents the value of its work done on orders for the United States Government, and which the women workers worked so diligently and faithfully to accomplish to fill the urgent needs of supplies in the government hospitals during the period of the great war.

Mr. and Mrs. James Winkett and Mr. and Mrs. Charles Scott have gone on a motor trip to include Cleveland, O., Detroit, M., and Toledo, Ohio.

## Dr. Snover Issues Warning

In view of the fact that there has been at least three human infections from anthrax; two resulting in death, Dr. C. H. Snover, Health Officer of Randolph, has issued a warning to all persons of that locality who come in close contact with stock.

Anthrax is a disease rather common in cattle, horses, sheep and other animals and is communicated to human beings by the infected material such as blood or serum getting into a small cut, abrasion or open wound on the person. In about two or three days a pustule forms at the site of inoculation. This may remain local and recovery take place, or it may be carried into the blood, causing a very fatal form of blood poison. Anthrax germs are very resistant to all antiseptics.

In cases of sickness in cattle or other animals about the farm, a reliable veterinary should be called and then if there is any suspicion of anthrax great care should be used by those coming in contact with the animal. The hands should be thoroughly cleaned and an antiseptic solution used after caring for them.

In case any animal dies great care should be used in handling it. It should be buried in quick lime or burned and under no consideration buried without this treatment.

No attempt should be made to save the skin or any other part because of an infection to yourself or some one else handling the hide before it is tanned.

If proper care is used in handling stock or animals having the disease, infection of human beings rarely occurs, and it is the duty of every one to do their utmost to bring this condition under control at once.

The state and local authorities at Randolph are working together and no new cases have been reported for several days; the disease having only affected the herd among which it first appeared.

## Chamberlain-Devine Wedding

The marriage of Miss Margaret Devine, daughter of Supervisor and Mrs. James Devine of Humphery, and Forest Chamberlain of Olean, was solemnized at St. Bonaventures Church, Allegany, Wednesday morning, June 25th, Rev. Father Raphael officiating.

The attendants were Miss Catherine Devine, sister of the bride, and Charles Kinney of Salamanca.

The bride was attired in a gown of rose taupe tar-tar silk, worn by her mother on her wedding day.

After a trip to New York and other eastern points Mr. and Mrs. Chamberlain will be at home in Olean, after July 15th.

## Carnivals Prohibited From Olean Rest of Season

At a regular meeting of the Common Council of the city of Olean held Tuesday evening it was voted to prohibit carnivals and street fairs from showing in that city at any future time this season.

What is believed to be the second death from anthrax poisoning, occurred last Friday morning when C. C. Helms, 47 years old passed away. Mr. Helms was a prominent dairyman and lifelong and respected resident of Randolph and was very well known throughout Cattaraugus County.

About ten days ago six valuable cows in the dairy of Mr. Helms died, the carcass of the first was skinned before anyone knew the reason of the animal dying.

Mr. Helms was assisted in removing the hide by Frank Smith. Mr. Smith died very suddenly last week, physicians believing heat prostration to be the cause. It was not known what could have caused such a sudden death unless it was heat prostration as Mr. Smith was in the best of health. It is now generally believed because of the circumstances which have occurred since the death of Mr. Smith that anthrax poisoning may have been the cause rather than heat prostration.

A veterinarian from State Headquarters, came to Randolph and pronounced the disease anthrax but could give no explanations as to where the disease came from.

On Wednesday Dr. J. C. Boover of Falls Creek, Pa., a specialist of anthrax cases performed an operation on the infected arm and when he left on Thursday he expressed his opinion to the family of Mr. Helms that there was a good chance of recovery. That evening Mr. Helms' condition became serious, symptoms developing which had been hoped could be avoided, death occurring about five o'clock.

Christopher C. Helms, the son of Christopher and Lydia Markman Helms, was born on April 28, 1872, at Randolph, N. Y., on the farm and in the same house in which his death occurred. Mr. Helms received his education in Randolph, his entire life being spent there.

Mr. Helms was united in marriage with Miss Grace L. Botsford of Little Valley on June 17, 1891. After their marriage Mr. and Mrs. Helms lived in the Brooklyn House, of which Mr. Helms was proprietor for a number of years. Later they moved to the old homestead where they have since lived.

Mr. Helms is survived by his wife, one son, Christopher B. Helms and his mother, Mrs. Lydia Helms.

The funeral was held from the home Sunday afternoon at 3 o'clock, interment was made in Randolph cemetery.

## Two Good Ball Games For the Fourth

(Contributed by John G. Krieger)

Two good games are scheduled for July 4th. The Elks are selected to play the Silver Stars at 3:30 and the Old Timers will do battle with the Co. L team at 6:30. Both contests will take place on the High School campus.

The High School team won from the K. of C. on the campus Tuesday evening by the score of 7 to 6. The contest was a close one, throughout the seven innings. A large number of spectators were in attendance. The High School easily outlit their opponents by nine to six. Fuller, Peterson and Davis were the batting stars for the High School. The former secured a triple and single, Peterson two singles and Davis a double.

This makes the first game the students have won this year, having lost four straight before. The victory puts them in eighth position and the K. of C. in seventh. Davis, Peterson and McQuire played a good fielding game, Peterson having five putouts, and also making a double play unassisted.

## Dunkirk's F. D. Holds An- nual Parade and Inspection

The annual parade and inspection of the Dunkirk volunteer fire department was held Saturday afternoon. In addition to the six local firemen's organizations, Fredonia, Silver Creek and Gowanda were largely attended. Mayor Pierce, the council and police board were present. The firemen's parade was concluded with Point Gratiot in the
